My student funding is late. Can you please help me?

Money@CampusLife can contact your funding provider to help ascertain the reason for the delay in your funding and can provide advice and guidance on the information required to ensure that your application is dealt with as quickly as possible.

For your visit to the office, please ensure you bring your Student Finance Customer Reference Number (CRN) with you. Your CRN is the unique 11 character number that Student Finance use to identify you. This is quoted on all correspondence you receive from your funding provider.
