

Library Guides

I'm not a member of the university. Can I use the library?

Any visitor can use the library for reference purposes. There is a visitors wifi service available for use with your personal devices.

Residents of Swansea, Neath Port Talbot, Cymarthenshire and Pembrokeshire are eligible for the [Libraries Together scheme](#). For further information on borrowing rights please click [here](#). Please note that there are restrictions in place for external borrowers.

If you are a student from another university you may be able to join us under the SCONUL scheme. For more information, and to complete the online form, please go to <http://www.swansea.ac.uk/library/using-the-library/visitorsinformation/> - it needs to be validated by your own university.
