Where do I return library books or other items?

Items may be returned at a Swansea University library - Library & Information Centre (Singleton Park Campus), Bay Library, South Wales Miners' Library (Hendrefoelan) and Banwen Library.

Self return terminals are available in Singleton Park Library, Bay Library and at the South Wales Miners' Library. Alternatively, you can return them to a Library Desk during staffed opening hours.

Please note: items borrowed from St. David's Park, Carmarthen must be returned directly to that library.
