

Swansea Employability Award

How is the SEA recognised by Swansea University?

If you complete the SEA voluntarily outside of any module that you are doing then the SEA is recorded on your HEAR as a recognised non-academic qualification endorsed by Swansea University.

If you complete the SEA as a part of your course it is also recorded on your [Higher Education Achievement Report \(HEAR\)](#), but you may also have received some credits for doing it.

Unique solution ID: #1403
