

Swansea Employability Award

Can I combine the old SEA and the new SEA award in Blackboard?

You can combine any modules that you completed in the old SEA with the new SEA.

From 2015/16 all students need to use the workbook accessed from [Blackboard](#) under the course called Swansea Employability Award.

If you have completed a module under the old SEA please complete any **new modules using the new workbook.**

The forms that you completed in the old PebblePad will transfer to the new Pebble+.

Unique solution ID: #1411
