

Swansea Employability Award

Can I use an experience from before I started my studies?

You can only use experiences gained whilst you are at Swansea University, this is because employers look for activities that students have done whilst also studying for their degree.

Prior experiences can be included on your CV.

More details can be found at <https://myuni.swansea.ac.uk/sea/sea-award/explore/>.

Unique solution ID: #1412
