

Swansea Employability Award

How do I access the Platinum level of the SEA award?

The SEA award is now a course on [Blackboard](#) onto which all students are enrolled.

Please have a look for it and click onto it.

After clicking on **Pebble+**, click onto **Tools and Resources, Resource Centre** and then **For me**, and you should see a workbook link to **Swansea Employability Award**. Click on this, then on **use**; it will open up and module 4 is the platinum level.

Also see more information at:
