

Renting Privately

If I sign a contract for a University Managed Property am I committed for the full year?

Yes, you have signed a legal contract that runs until the end of the academic year. You can only be released from your residence contract in one of the following circumstances:

- You cease to be enrolled as a student at the University
- If you have medical circumstances that render the accommodation unsuitable for you. (You will need to supply evidence of this.)
- A suitable placement has been found
