

Undergraduate - After You Apply

I have now decided I would like to take a year out. Can I request deferred entry?

We are happy to consider requests for deferred entry for the majority of our courses. The only exceptions are the MBBCH in Medicine, the BMid in Midwifery and the BN in Child Nursing. This is because of the intense competition in these areas for a very small number of places.

For all other courses you are welcome to request deferred entry, but we would ask that you contact us as soon as you decide to take a year out, so that we can offer your place to another candidate.
